

## Vision Statement for Wardell and District Tennis Club (Multi Courts) in Wardell:

"Empowering Wardell Through Community Connection and Athletic Excellence"

Our vision for the Multi Courts in Wardell is to create a dynamic open space that fosters community cohesion, promotes active lifestyles, and celebrates athletic achievement. We envision a space where individuals of all ages and abilities come together to engage in sports and recreational activities that not only enhance physical well-being but also strengthen the social fabric of our town.

### Key Pillars of our Vision:

1. **Inclusivity and Accessibility:** The Multi Courts will be a welcoming space for everyone, irrespective of age, gender, or ability. We will ensure that the facilities are Ballina Shire Council compliant and designed to accommodate a wide range of sports and activities, making them accessible to all members of the Wardell community.
2. **Youth Development and Education:** We aim to provide a platform for young athletes to nurture their talents and learn essential life skills such as teamwork, discipline, and leadership through sports. The Multi Courts will be a space where youth can participate in organized leagues, workshops, and mentorship programs that promote personal growth and academic achievement.
3. **Community Engagement and Social Bonds:** The courts will serve as a gathering place for neighbours and friends to come together, fostering a sense of belonging and camaraderie. We will organise regular events, tournaments, and community-building activities that encourage interaction and create lasting connections among Wardell residents.
4. **Health and Well-being:** The Multi Courts will be a catalyst for promoting a healthy lifestyle among Wardell residents. We will offer a diverse range of sports and fitness options, from basketball and tennis to yoga and dance classes, ensuring that individuals have access to activities that cater to their unique preferences and needs.
5. **Environmental Sustainability:** We are committed to incorporating eco-friendly practices in the design and maintenance of the Multi Courts. This includes utilizing renewable energy sources, implementing water conservation measures, and prioritising green landscaping to create a sustainable, environmentally-conscious facility.
6. **Cultural Enrichment and Artistic Expression:** The Multi Courts will be a canvas for artistic expression, providing a space for local artists to showcase their talents through murals and installations. This integration of art and sport will create an inspiring environment that celebrates the diverse cultural heritage of Wardell.
7. **Continuous Improvement and Innovation:** We will be dedicated to ongoing upgrades and innovations to ensure that the Multi Courts remain a cutting-edge facility that meets the evolving needs and aspirations of the Wardell community.

By embracing these pillars, we envision the Wardell and District Tennis Club (Community Multi Courts) in Wardell as more than just a physical space—it will be a vibrant testament to the unity, vitality, and resilience of our town. Together, we will build a legacy of athletic excellence, community connection, and shared accomplishment for generations to come.
